### Workplace Safety and Insurance Board or Private Insurance Coverage for Students on Unpaid Placements

#### Student coverage while on unpaid placement:

The government of Ontario, through the Ministry of Training, Colleges and Universities (MTCU), reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (university). Students enrolled at an Ontario postsecondary institution are eligible for Workplace Safety Insurance Board (WSIB) coverage while on placements, either required or optional, that are part of an Approved Program. ([See the Guidelines](#) for details regarding eligibility for Ministry coverage.)

MTCU also provides private insurance through Chubb Insurance (formerly ACE-INA) to students should their unpaid placement take place with an employer who is not covered under the Workplace Safety and Insurance Act and limited coverage where eligible placements take place outside of Ontario (international and other Canadian jurisdictions). However, students are advised to maintain insurance for extended health care benefits through the applicable student insurance plan or other insurance plan.

Please be advised that Faculty of Medicine, University of Toronto will be required to disclose personal information relating to the unpaid work placement and any WSIB claim or Chubb claim to MTCU.

This Agreement must be completed, and signed to indicate the Student Trainee's acceptance of the unpaid work placement conditions, and a copy provided to the Faculty of Medicine placement coordinator prior to the commencement of the work placement.
